

N.M.R.A.

South Eastern Region, Division 8

The Atlantic Division

Re: Minutes of General Meeting

November 5, 2022

Meeting called to order by Rick Fulkerson Superintendent at 11:30

Election of treasurer. Tom Sullivan was re-elected for a two-year term

Plans are underway for our next meet hopefully in the Savannah, GA area

The Charleston Model RR Club has announced they are hosting a train show across from the club at the Citadel Mall Saturday and Sunday January 7-8, 2023.

A request was made for more models to be brought for Show and Tell at our meets to share your work and ideas

AP program, several members have home layouts that need to apply for their Golden Spike

Mentioned the NMRA partnership program with manufacturers and where to find the list of participating dealers and coupon codes on the NMRA site

Two members of the Golden Isle club live outside the Atlantic Division line. We are sending requests to petition for them to transfer to this division since all their modeling is done at the club.

The Golden Isles Model Railroad Club has lost its lease at its current location and must vacate by years end. However, they have been invited to move to the Georgia Railroad Museum just 4 blocks away in Kingsland with more space and much better area for meetings. This meet was the last time they ran trains. Much packing has already been done

All attendees were invited to ride the Georgia Coastal tourist railroad later in the day.

Meeting was adjourned at 12:00 for lunch
